## DEMOCRATS IN A RIOT.

Kentucky's State Convention Develops a Bitter Fight Among Factions.

The Followers of Clay and Hardin Are Struggling for the Upper Hand.

MR. CLEVELAND DENOUNCED.

First Praised, Then Scored After the Resolutions Committee's Reports Were Read.

LOUISVILLE, June 26.—When the Convention adjourned in the early hours of the morning the pending question was on the minority report on Credentials. The discussion there was resumed at 8.30 o'clock when the delegates assembled again.

After discussing an hour and a half the motion to substitute the minority report on Credentials for the majority report the call of 11 counties began.

The Clay men favored the substitution and the Hardin men opposed it. As the vote was considered a test of strength it was watched with great interest and resulted 448 yeas, 425 nays. The result was greeted with loud cheering by the Clay men.

The Hardin men rushed to the platform, charging also counting and fraud, and created a most tumultuous scene, which was finally checked by crowding Senator Lindsay through the fighters to the front of the platform, when he opened another hot contest by presenting the majority report of the Resolutions Committee.

The undersigned, a majority of your Committee, beg leave to submit as their report the accompanying resolutions.

Third Race—Prig First. Arapahoe Second.

Fourth Race—Keweenaw First. Connoisseur Second.

RACE TRACK, SHEEPSHEAD BAY, June 26.—There was a very good attendance at the track this afternoon. The excellent card was responsible for this and it is probable that the prospects of a meeting between Counter Tenor and Keenan are in a capacious mood.

The weather was in a capacious mood and it was seldom that the sun got chance to peep down at the races through the masses of clouds.

The air was cool out not unpleasant. The track was in excellent shape, all traces of Monday's storm having vanished.

Word reached the track to-day that Phil Duffy, once bettering commentators for Capt. S. B. Brown and recently connected with the stable of J. W. Rogers, had in St. Vincent's Hospital in New York.

Among the visitors at the track to-day was William K. Vanderbilt.

The Stewards did not like Penn's riding of Arapahoe in the third race, and making the boy into the stand repeated.

Trainer Sam Hildreth, of the Baldwin stable, was also called up. He and Penn told the same story regarding the instructions the jockey was given.
